WHO ARE THE DELTAS? DELTAS are members of an active honorary organization on the Doheny campus of Mount St. Mary's College. They serve as college hostesses and assist the administration, faculty, students and departments that cannot provide their own hostesses.

A Delta must have an active interest in participating in campus events, and a wish to be of service for the general good of the College. There are no membership dues. The events hosted by the Deltas are financed by the groups who ask for assistance from the Deltas.

In order to be considered an ACTIVE Delta, a minimum of (6) hours of service during the year will be required for a Delta to receive recognition on Laurel Day, Doheny's honor program, and at the Delta Party at the end of the year. The six hours may be divided between Fall and Spring events.

If you are interested in becoming a Delta for the first time or of serving for a second year, please complete and return the application below to Sister Jean Elizabeth in the Registrar's Office by Monday, October 23. A meeting of all Deltas will be announced later.

When Cal B checks arrive, they are time dated and must be picked up when the notice on the Financial Aid Board is posted.

Student Eligibility Reports (SER). One copy of your SER is being returned to you. Please pick up your SER from Mrs. Peggy Barsamian, Financial Aid secretary, in Building #7. It will assist you in applying for next year's BEOG. (Please keep your own file on all Financial Aid Information.)

SUPPORT SYSTEM
INCLUDES REPORT
AT MID-TERM

At mid-term the Doheny A.A. program offers an "early warning system" for students who have a "D" or "F" average. Faculty members note the reasons for the grade on the Unsatisfactory Work Report (obtained from Judy Henning in Bldg. 7) and give a copy to the student, to the Advisement Center and to Sister Marie Loyola, Academic Dean.

Conferences are arranged between the instructor and the student so that the student understands the cause for the low grades and can work to pass the course. As part of the Doheny support system, the academic advisor also assists the student to take steps to improve her grade.

This early warning should be helpful to students receiving BEOG or MSMC institutional funds since an unsatisfactory grade point average (below 2.0) for the Fall term will result in ineligibility for funding next term.

## DOHENY HAPPENINGS

All materials for Doheny Happenings should be submitted by 12:00 noon on Tuesdays. A box for copy has been placed on the counter just inside the Registrar's office to the right. Copy should be typed, dated and signed by the person responsible for submitting it.

AN URGENT  
CALL FOR  
INVOLVEMENT

Cal Grant A recipients and all others benefit from the Cal Grant (State Scholarships) Programs. We all stand to benefit even more by urging Governor Brown to increase the funding of the Cal Grant A Program at least enough to maintain the Program and, ideally, enough to increase the amount and number of awards.

All of us who pay taxes subsidize every student attending a public, tax-supported, California State University to the amount of \$4,026 each.

The maximum award a Cal Grant A recipient can receive is \$3200; \$826 less than what it costs the State to finance a student at a state university. The point is - the Independent sector does a much better job for a lot less money.

You and your parents are encouraged to take an active role, positive action, in urging Governor Brown to increase the level of funding for Cal Grant A Programs.

Send letters, draft petitions, send telegrams to:

Hon. Edmund G. Brown, Jr.  
Governor  
State Capitol  
Sacramento, Calif. 95814

Copy to: Ms. Mary Ann Graves, Director  
State Dept. of Finance

A MESSAGE  
TO MSMC CDC

Becky Tinajero, A.A. student in Preschool Education, has just completed her Student Teaching Experience at the Child Development Center. These are her comments: "There are many valuable learning and teaching techniques to be learned from every teacher here at MSMC CDC. I have learned from them all as well as from my own successes and mistakes. But most important, I have learned from the children that LOVE is the prime ingredient towards healthy learning."

\*\*\*\*\*  
TO ALL BUSINESS MAJORS AND BUSINESS/LIBERAL ARTS MAJORS:

Thank you for the unique Christmas tree ornaments that you made for the Christmas tree in Bldg. 7 at the TREE-TRIMMING PARTY held last Thursday, December 4. Your enthusiasm and creativity was so contagious that it reached all the corners of our campus! Many thanks for your very special Christmas greeting--and Merry Christmas to you, too! (If you didn't have a chance to drop-in on Thursday and wish to put your handmade ornament on our tree, please come by. We don't want to forget anyone.)

FROM THE OFFICE FOR STUDENT DEVELOPMENT

YEARBOOK SALE For those students planning to buy a 1981 YEARBOOK, this is the last week to buy one for \$10.00. Beginning in January and throughout the school year, they will cost \$12.00. Stop by Office #2 and order yours this week.

YEARBOOK ADS In order to help defray the cost of the YEARBOOK, the staff still needs ads, three-lined messages, and patrons. Why not ask your parents, spouse, friends, or family business owners to support our yearbook cause in this way! If any member of the administration, faculty, or staff would like to be a patron, please let us know. Order forms are available this week in Office #2.

OFFICE #2 CLOSED Because Sr. Joseph Adele will be in England during Interterm, the DURING INTERTERM Office for Student Development will be closed. Therefore, during January, food machine refunds will be given in the Bookstore.

Dear Students, Faculty, and Staff:

The end of the fall term seems to be an appropriate time for me to express my appreciation for interest and support so many of you have shown in Doheny's student development activities. Likewise, Office 2 has indeed been made brighter by your stop-in visits (even if getting a refund is your reason.) A special note of thanks goes to the ASB Officers.

May the peace and joy which only the Christ Child can give be with each of you and your family during the Christmas Season and the New Year.

Have a stimulating and rewarding Interterm; I'll look forward to seeing you in February with many "England Adventures" to share.

Sister Joseph Adele

Freshmen ACT/COMP Test Results have been received from the American College Testing program headquarters in Iowa City. These tests--an Objective Test and an Activity Inventory--were taken by all freshmen on the Chalon Campus on September 23, and by all first-time freshmen on the Doheny Campus on September 25. At this time, ACT has not completed the development of national norms for freshmen taking the Objective Test; therefore, the results for each freshman will not be distributed until February 1981. If you will not be here for the spring semester, please send a self-addressed envelope to Sister Catherine Therese, Office of Institutional Research, Chalon Campus, Box 61 or H400. (Doheny students may give these envelopes to Judy Henning, A.A. Secretary.)

I am currently accepting applications for the Leadership Program for Spring Semester. Any interested students should pick up an application form from Grace at the Switchboard or from Kathy in Admissions (Building #7), and return it to my box in either of those two buildings, and then I will contact you for an interview. Spring Semester the first-year seminar will be Fridays, 12-1, and the second-year meeting will be Wednesdays, 12-1. However, if your schedule conflicts with those times, don't rule out the possibility of your participating in the program. I would encourage any current Doheny student with an interest in the Leadership Program to apply.

ANNUAL

For many years, the students at MSMC have sponsored an annual Spring Sing talent show. This years's theme is "Hollywood's the Place." Performances will be given on March 27, 28, 29 at the Chalon Campus Little Theater. Any A.A. students who wish to represent their specialization, organization, residence hall, or campus and who wish to participate as singers, dancers, musicians, stage hands, set designers, directors, etc., may pick up an application in Office 2 or 3 by Thursday, February 12. Hopefully, another trophy will be added to the previous Spring Sing awards given to past A.A. student groups.

THIRD DOHENY      Students, Faculty, Staff: You may now order tickets for the play,  
THEATER PARTY      "Westside Waltz", starring Katherine Hepburn, by signing the list

FROM THE ASB OFFICE

ATTENTION 1981      In order to have adequate representation on this year's Graduation Ball  
A.A. GRADUATES      Committee, we would like to have a second-year student from each  
                         specialization--business, liberal arts, nursing, physical therapy  
assistant, preschool, and respiratory therapy. If you are interested in serving on this  
committee, please give your name and phone number either to Gracie Medina in Office 3  
or to Sister Joseph Adele in Office 2 by Friday, February 13.

We have been invited by the Chalon graduates to have a joint graduation ball with them  
at the Ambassador Hotel in L.A., on Saturday, April 11, 7:00 - 1:00 a.m. at \$45.00 per  
couple (including dinner), but I would like to have your reaction to this invitation  
and any other ideas you have before a final decision is made. Thank you.

Gracie Medina  
ASB Social Chairperson

FROM THE OFFICE  
OF THE REGISTRAR

To all sophomores expecting to graduate in May: Please come to  
the Registrar's office this week to pick up your application for  
the Associate of Arts Degree. The Graduation Fee of \$35.00 is  
payable when the completed application is filed. Filing should  
be completed by February 16.

\*\*\*\*\*

I am currently accepting applications for the Leadership Program for Spring Semester. Any  
interested students should pick up an application form from Grace at the Switchboard or  
from Kathy in Admissions (Building #7), and return it to my box in either of those two  
buildings, and then I will contact you for an interview. Spring Semester the first-year  
seminar will be Fridays, 12-1, and the second-year meeting will be Wednesdays, 12-1.  
However, if your schedule conflicts with those times, don't rule out the possibility of  
your participating in the program. I would encourage any current Doheny student with  
an interest in the Leadership Program to apply.

Joan Cashion

Those students who still need general education courses, (those not ready for the Senior year), and who wish to attend full-time or part-time will follow the same procedure for application. Upon satisfactory completion of the required courses, the student will be reviewed for acceptance into the Department of Nursing.

6. If you are interested in Housing, and indicate this on your Change of Program application, you will receive an application for the residence halls with your letter of acceptance.

Students applying for the following fall semester pre-register for courses in the late spring along with other Chalon students.

DEADLINE: The deadline for application of students wishing to pursue their education at the Baccalaureate level in the fall semester is FRIDAY, FEBRUARY 27, 1981.

GRADUATION,  
AA HOODING  
COMMITTEES  
BEING FORMED

The time has come, once again, for the formation of the end-of-the-year committees. In order to facilitate the workings of the committees this year, we will have both core and sub-committee involvement. The number of core members needed is as follows:

All-College Graduation Committee: A.A. Second-year students - 3  
A.A. First-year students - 2

(Meetings will probably be in the evenings, alternating between campuses. Transportation will be provided if necessary.)

This group will be working with five students from Chalon and faculty and administration from both campuses.

A.A. Hooding and Awards Ceremony Committee:

Second-year students - 6  
(One from each specialization)  
First-year students - 3

(Meetings will be at Doheny Campus)

This group will be working with faculty and administration from Doheny.

Sub-committees: Both first and second-year students will be needed to work with a core member on one of the following activities:

|                          |               |
|--------------------------|---------------|
| Information distribution | Ushering      |
| Reception                | Honor Guard   |
| Physical arrangements    | Miscellaneous |

We want to make both of these ceremonies--the all-college Graduation at Chalon and the A.A. Hooding at Doheny--memorable experiences for the 1981 MSMC graduates; we, therefore, need your involvement. If you are interested in serving as a core member or on a sub-committee of either or both committees, please pick up an application outside of Office 2 in Building 4 and return it to Sister Joseph Adele by Thursday, March 19.

Any member of the Faculty or administration interested in serving on these committees should also contact Sister Joseph Adele by Thursday, March 19. We need two (2) for the Graduation Committee and four (4) for the Hooding Committee.

Thank you in advance for your generous cooperation.

Sister Joseph Adele

PRESCHOOL MAJORS WIND UP STUDENT TEACHING EXPERIENCES

"My student teaching is taking place at Anna Bing Arnold Child Development Center. In doing my student teaching, as in all walks of life, there were hard times. Despite the hard times, my experience was exciting and memorable." Tanya M. Young

"This year I was given the opportunity of doing my student teaching at the Exceptional Children's Foundation. Because of this, I was able to elaborate on the field that I have chosen to pursue in the future: special education. It also enabled me to practice the many ideas and skills that I have learned in these past two years. I feel that this was a positive experience, because of the many new concepts I learned--thanks to the help of the people and children I worked with." Libia Becerra

"I did my student teaching at the Child Development Center here on Campus. I had the opportunity to use all the information I had learned in my classes. I feel that without the great support and encouragement of my master teacher, Darlene Maxwell, and of Peggy Lucero, I wouldn't have made it through the experience. Although I'm not going into direct preschool teaching, I feel this experience has been a challenge that will continue to enrich my life. I've learned more about myself and my feeling about people. Children are people with feelings, ideas, and thoughts that everyone can learn from." Martha Ramirez

"I was very excited to begin my Student Teaching at Anna Bing Arnold Child Care Center. When I first walked into the classroom I was greeted by fifteen yelling, crying nonverbal two-year-olds; the anxiety began. After one week I was ready to quit. But with the help and encouragement of friends and teachers, I didn't; I was changed to a classroom of seventeen five-year-olds. I've established many "little" friendships and I've learned through them as well as from other adults. I would like to say "Thanks" to everyone who helped me through these past months. I thank you for your friendship, support, and love (You know who you are!). Bertha Salazar

"Through my teaching at Salvin School, I have learned so many things; but one main point that will always stay with me is not to accept things as they are, but rather to do everything in my power to make a child learn through experience, exposure, and through love." Frances Venti

"A child's world is my world...a world made up of new experiences, a world of socializing, a world of imagination, a world of creativity, and a world of learning. This is what I have enjoyed experiencing in my student teaching at Mount St. Mary's Child Development Center." Vivian Wright

"My student teaching at Salvin School has been an unforgettable experience that I will always treasure. I walked in my class the first day and asked my master teacher, 'Where are the handicapped kids?' Even now I forget who has what and who doesn't have ANY what. They're all regular kids to me! My four months at Salvin have been filled with messy paints, spilled food, helping children off their wheelchairs, locking braces, as well as with bikes, music, sandboxes, Pazoo, sticky glue, sticky marshmallows and sticky hands! Just a normal everyday job, and I had a lot of fun! I'm sure going to miss all my little friends when I leave. Thanks to everyone there who made me feel at home, especially to Ofie and extra especially to my master teacher, Wendy, who always encouraged me with a smile." Gloria Guadian

"I have attended Mount St. Mary's College for only a year, but during this year I feel that I have learned a great deal about the field that I have entered. The two teachers with whom I have done my student teaching have given me an experience that will last me throughout my career as a preschool teacher." Patricia Gomez

"I did my student teaching at Anna Bing Arnold Child Care Center. Since February I increased my ability of proving to myself that this was the career I wanted. At first there were problems with the children, but with time I learned to solve the problems and have control over the children. It was tough, but I did my best and succeeded." Maria Jimenez

"Salvin Elementary School was a very special school to me while I did my student teaching because I learned about the mentally retarded children who had so much to give. I feel that being a student teacher for a short four months made me aware of how much the children appreciated what I was doing for them and how much they have brought out hidden talents inside of me. But most of the poem THE TEACHER expresses how I feel when I work with these children: 'I will know you. I will touch you and hold you and smell and taste and listen to the moises that you make and the words, if any. I will know you. Each atom of your small, lonely, aching, raging, hurting being will be known to me before I try to teach you. Before I try to teach you I must first reach you.' Marie Diaz

"My student teaching at Salvin School has been both a rewarding and enjoyable for me. I feel my experience has given me a greater awareness of myself as a teacher. I feel children not only have grown with me, but I have grown with them." Monica Kohr

"By doing my student teaching at Exceptional Children's Foundation I have found that the special children there are truly special. These children can learn to overcome their handicaps if they are given loving patient help. I am thankful that I was able to share part of myself with them. I learned that special children are unique individuals who should not be classified under some big diagnosis. They need to be treated like human beings who have feelings like you and me. So I would like to ask you to smile and say hello to the next special child or adult you see." Rosalyn Roberts

"Wow! It was fun but also a lot of hard work at times (trying maybe). After this experience I still feel that children are the most beautiful people on God's earth; there's no pretense about them. I very much look forward to a lifetime of interacting with them in many different aspects or areas; they are neat!" Laura Higginbotham

- Saturday, May 30 - Everyone who attends the A.A. Hooding/Awards Ceremony should be aware of the following items:
1. Both the 23rd St. and Adams gates will be closed, and the St. James gate will be the only entrance and exit all day.
  2. Parking will be in the Auto Club lot on the corner of Adams and St. James Place.
- Parking attendants will be there to direct students, faculty, and guest.
- Sunday, May 31 - Anyone except graduates attending Graduation at Chalon should park either in the Jewish Synagogue or St. Martin of Tours parking lot, both located at the corners of Sunset and Saltair. You will be shuttled to and from Chalon.
- 1981 Yearbooks      If you paid for a Yearbook and have not yet picked it up, you may do so in Office 2. There are still yearbooks available for purchase at \$12.00 each.
- Lockers      Students should remove all items from their lockers by Friday, May 29.
- Bulletin Boards      Any department/organization having assigned bulletin board space in Bldg. 4 or Carondelet Center should remove all items not related to summer school students. If not removed, these notices will be discarded.

Since this is my last memo for the year, I want to express my appreciation to each of you -- A.A. students, faculty, and staff - for your cooperation and your response to my many request and directives through the Student Development Office. Special thanks to the ASB officers and Yearbook staff, with whom I have worked very closely; the Deltas, who have served the Doheny Campus so generously, and, of course, my congratulations to all of our A.A. graduates!

Finally, may all of us find some time for relaxation and re-creation during the summer months. We deserve it!

Coordinator for Student Development
